Welcome Messages

Welcome Message from the VCA president

It is both my privilege and my pleasure to welcome you all to the Third VCA Women's National Championships in Adelaide. I'm told that this year's championship represents a staggering 250% increase in numbers from 2022 which is a testament to both the popularity of the game for women and also the excellent work of the Women's Playing Group committee. It is also very pleasing to see the Northern Territory represented which will hopefully provide further impetus for their involvement in our other Playing Groups.

It is clear that Australia leads the way in the development of Veterans Womens Cricket and, in my view at least, I think the next step is to promote the Womens game at the international level. There have been a few positive signs from other countries recently and as Australia's representative on the International Masters Council I intend to pursue opportunities as they arise hopefully leading to a Women's World Cup in the coming years.

I have no doubt that you will all have a great time in Adelaide, that the competition will be hotly contested and played in the true spirit of cricket. Judging from my experience of sharing the final dinner with you at your first Championships in Barwon, I also have no doubt that there will be a lot of fun involved.

Murray Harrison
President

Welcome Messages

Welcome Message from the Chair–VCA Women's National Playing Group Committee

On behalf of our Veterans Cricket Australia (VCA) Women's National Playing Group Committee, I am delighted to welcome all players, officials, volunteers, and supporters to Adelaide for our third VCA Women's National Championship. Women's Vets is growing rapidly. In 2022, four states and eight teams competed in our first nationals held in Barwon.

The 2024 version sees all States plus the Northern Territory entering a combined 20 teams; an astonishing 250% growth in just two years!

Speaking of growth, we are so excited to welcome NT! The VCA has been keen to bring NT into the vets cricket fold for many years, and through the combined efforts of SAVCA and Darwin-based Jo Posgate, the women have led the way! This is a truly exciting development. Congratulations Jo!

Delivering a National Carnival is a challenge, and this one has been 12 months in the making. Thank you to all those who have made it possible and particularly:

- SAVCA President, Christopher "Dixie" Daw – rather than running in the opposite direction when we first tabled the idea of SA hosting the 2024 carnival (!), Dixie embraced the challenge, recruited the organising committee, and has been "can do" ever since. Thank you Dixie to you and the SAVC Committee for your extraordinary support.
- SAVCA Organising Committee – Jo Posgate, Glenni Gabb, Lynley Ingerson, Heather Westwood, Kylie Holbrook, Angela Egan, Iain Campbell, Bill Kidd, and Stephen Brown. Bringing together a carnival is a monumental challenge. I know how much time, effort, and passion they have invested in making this happen and because of their efforts we are all going to have an incredible week!
- VCA Women's National Playing Group Committee – Gail Schmidt (Deputy Chair), Jennifer Riatti (WA), Rosemary Gan (QLD), Shellee Hereora (VIC), Lynn Hendley (TAS), Jo Posgate (NT) and Glenni Gabb (SA) have all contributed in an advisory capacity at a National level, while also bringing together their local teams.

Thank you also to the many local businesses and volunteers for supporting this championship.

Wishing you all an amazing week of cricket. May many new friendships be forged, and memories made. It's definitely not just about the cricket!

Sincerely,
Jess Henry
Chair, VCA Women's National Playing Group Committee

Welcome Messages

Welcome Message from the SAVCA President

Welcome to Adelaide!

I extend the greetings from all at the South Australian Veterans Cricket Association to our guests, arriving from all over the country. This year's National Championships for Over 40s women will be the third such event, with a record breaking twenty teams participating.

Women are an integral part of the explosion in numbers of Australians playing the game we love into their mature years. We hope that all players are rewarded with the benefits of Veterans Cricket: making new friends, enjoying treasured mateships, embracing physical challenges and fiercely competing within the Spirit of Cricket.

Adelaide is a wonderful city with much to offer. We hope that all our guests will be able to enjoy our social and cultural offerings, our beaches, wineries and parklands and, of course, our playing fields.

Thank you to our Organising Committee, led by the indomitable Glenni Gabb and Jo Posgate. Your efforts in preparing for this event have been immense and we all offer each one of you a huge vote of thanks. To all who have sponsored and supported the Championships, thank you. Your contributions are greatly appreciated.

Finally, to all the players, thank you for your involvement in and commitment to the wonderful game of cricket. May your stay in Adelaide be filled with joy.

Dixie

Christopher Daw

President

South Australian Veterans Cricket Association.

It is great to see the increase in teams participating in this event and I am sure that all look forward to keenly contested matches over the coming week. A special welcome to the Northern Territory team for their first championship playing under the banner of SA.

Previous Championships

This will be the 3rd VCA Women's Championship. The first was held in Barwon, Geelong in 2022, playing in conjunction with the VCA Over 60's men's championship. There were 8 teams from 4 states competing.

The 2nd championship was held in Wollongong in 2023 and was the first stand-alone Women's Championship. A very successful championship with 15 teams from 6 states competing across 3 divisions.
